

## **Snack time 4.30 – 5.30**

*For visiting therapists/psychologist to join care and teaching staff at the end of the day, in the annex to coach the following activities;*

OT – Tuesday straight after school

SALT – Thursday straight after school

Ed Psy – Friday afternoon – leading to Saturday mornings

Drinks choice board –on the wall between sensory room and blue room

Drinks trolley – ready beside lounge door, with first student and carer behind it ready to pour and exchange drinks

Care staff and student (1 at a time) approaches drinks choice board and makes choice by selecting photo or symbol and removing from the board (limited to two) (remember to reinforce signing and saying the choice as well).

Care staff and student approach drinks trolley and exchanges their symbol/photo with the student (supported by staff). Staff to remember to exchange, sign and say to reinforce choice.

Student sits down at table, drinks their drink.

*For any student who is resistant to communal drinks time or who has a breakdown during drinks time – the removable drinks board should then be taken to them in their new location.*

Next student is approaching the board.

**WHEN DRINKS HAVE FINISHED SNACKS BEGIN.**

Swap student at the trolley –repeat the process as above, using symbols and photos for snacks.

(Remember Robert, Luigi and Dale are using photos, Desmond, James and Peter are using symbols. Leonie using recorded messages.
